Harsh Family

Dusty Prairie Ranch

Welcome Friends and Valued Customers,

We would like to invite you and your family to our **42nd Dusty Prairie Ranch Bull and Female Sale!** Due to mother nature, we have rescheduled our sale weekend to **April 7th and 8th.** Yes it is Easter weekend, but in years past it has been great for everyone to bring the whole family! If all fails, you can bid online on DV Auction.

The past several years I have attended several Angus cow dispersion sales, and all I can say is DPR genetics are some of the best you will ever find! With 40 years of genetic selection, you can find very few cattle better when it comes to our **maternal traits, disposition, fertility, and mother ability in bad weather.** Through the intense selections, calves are vigorous to get up and suck. Tying all of that together, those with DPR genetics can run more cows with less **labor and more profit!**

Like many of you, these past 4 or 5 years have been a challenge. We went through the Bomb Cyclone and record rain to delay planting, Covid in 2020, 2021 record lows of -30 degrees or colder, and in April of 2022 fires that claimed more than 50,000 acres. It has been very challenging to say the least with all the extremes.

Despite all of these challenges, the cattle at DPR have still performed! It's quite impressive that this year's sale offering as they have grazed short and poor quality forage from day 1. As we went to grass, Gavin and I said this is one of the best set of calves we have ever had! So when you look at the figures, give the cattle slack as genetically they are bred to perform given the environment coincides. But as always, give us a call and let us work with you to build **a very profitable future with DPR Genetics.**

Ranch Tour Friday April 7th will be featuring Mike Skolout with Farm Credit to discuss Livestock Risk Protection options. Tour will start at **5:30** and meal to begin around **7:30.** We look forward to seeing you Easter weekend!

Doug *Gavin*

Thanks For All Of The Support Over 42 Years!

DPR Justice Jr. - A bull we purchased back from the Ellicott Ranch after seeing his calves unmatched length and performance. In our 2013 sale, he was the #4 IMF bull and he has passed that onto his progeny. Many sons have been top ratioing bulls for IMF, ADG, and REA. A progressive carcass bull that is backed by a maternal, nicely uddered cow in DPR Miss 6349 Moneyman (602).

BK670 - A familiar cow to repeat customers. Miss Justice (670) at 10 years of age has been one of the most consistent producers at DPR. Find this Dynamic son to consistently stamp calves with extra thickness and well balanced females.

Age of Dam: 10 years

Sometimes we just like to brag about how our cattle have improved by adding more Dusty Prairie Ranch Genetics to our operation. We purchased some bulls in 2020 and more in 2021-2022. This past fall our calves weighed 32 pounds more and only had 4% open on over 300 head. This past spring our herd went through a major range fire, was relocated a couple times, and still achieved these numbers. I'm extremely pleased with the cattle and with the help from Doug and Gavin in their leadership on genetic selection of DPR bulls.

The Soucie Family

**DPR Impact B2681**

As I've gotten older, purchasing a bull with a **Great Disposition** is worth \$5,000 - \$10,000, on that trait alone, if you are keeping daughters to retain in your herd.

Doug

BK18 - A DPR Dynamic son that brings rib, body, and docility forward! A uniquely bred bull as his dam is the granddam of DPR Dynamic 257. Pair these powerful Dynamic sons together and you'll have pounds to sell with top notch females to retain.

Age of Dam: 11 years

CUSTOMER TESTIMONIALS

Doug,

Breeding soundness, longevity, and performance are the reasons I continue to purchase Dusty Prairie Ranch (DPR) genetics. Your bulls have consistently bred my cow herds over two 60 day breeding seasons per year and have added pounds and value to my calves. The DPR bulls I have purchased in the past years have serviced cows to an average age of 7 years old. Our last DPR bull was nearing 9 years old and our cows are delivering his calves this spring.

Before finding DPR bulls I would replace a registered Angus bull almost every year. The local registered bulls simply could not hold up. **The first pair of DPR bulls I used serviced 45 cows in the fall and 55 cows in the spring and stayed on the farm till they were over 7 years old.** My calves sired by DPR bulls averaged 75 pounds greater at weaning over our Angus sired calves. **Our last DPR bull bred 65 to 70 cows each year and sired over 400 calves by natural service for us.**

Sincerely,
Bill Scheperle -- Jamestown, Missouri

“Since we started using Dusty Prairie Ranch bulls, the weaning weights of our fall calves have increased over 80 lbs. Doug has worked closely with Jeannie and I to help us improve the quality of our cow herd. Because of the improvements we have experienced, we are eager to tell our friends and neighbors about the **Dusty Prairie Ranch Program.**”

Philip & Jeannie Woods
Warrensburg, Missouri

“Doug, just to let you know that I’m very pleased with my sight unseen purchase in your April 3, 2021 sale.

I purchased three bulls, Lot 5, Lot 10, and Lot 23. The dispositions of these bulls is excellent.

I also purchased nine heifers. Once again, disposition is awesome. These nine heifers were exposed to Lot 10 bull.

Kenny Gullickson
Fort Yates, North Dakota

“Since switching to DPR bulls I have more uniform calves with increased weaning weights. The replacement heifers are good mothers with great disposition. I have also noticed better fertility over my former straight bred Angus.”

Buyers Notes:

Remember
Quality Is
Always A Bargain!!

Dusty Prairie Ranch sale day!!

SALE TERMS AND CONDITIONS

Terms: Terms of the sale are cash or check, payable immediately upon conclusion of the sale and before animals will be moved. Seller will reserve the right to require a certified check as settlement before releasing any cattle.

Risk: All animals are the seller's risk prior to their sale and become property of the purchaser as soon as declared sold by the auctioneer.

Bidding: All animals sell to the highest bidder. Any disputes or challenges regarding bids will be settled by the auctioneer, and his decision will be final.

Health: All bulls have been tested and found negative for brucellosis. All females have been officially calfhood vaccinated. All animals are eligible for interstate shipment; except as otherwise announced. The Veterinarian will assist buyers on health papers for specific states.

Announcements: Any changes from information of any kind in this catalog will be announced from the auction box and such announcements shall take precedence.

Breeding Guarantee: Females: Cows represented as being "safe in calf" will have been examined and declared safe; they are considered bred without further guarantee. Cows with calves at side shall be considered breeders also without further guarantee. Open heifers are guaranteed to be breeders. **NO** guarantee shall apply to suckling calves. **NO** guarantee is given that bred females will deliver a live calf.

Bulls: Should any bull 14 months of age or over fail to prove a breeder after being used on cows known to be breeders, the matter shall be reported in writing to the seller within six months following date of purchase, or six months after the bull has reached fourteen months of age. (See Options and Privileges of Return or Adjustment.)

All animals are guaranteed to be breeders with the exception of: (a) Calves under twelve months of age. (b) Animals shown by purchaser after sale. (c) Injury or disease occurring after sale. (d) Animals subjected to any hormonal or surgical reproduction techniques. (e) Gross negligence or willful misconduct on the part of the purchaser. (f) Artificial collection, preparation or storage of semen.

Options and Privileges of Return or Adjustment:

1. All claims for adjustment or refund must be made in writing within six months of sale date or no later than six months after the animal reaches 14 months of age.
2. Any animal that appears to be a non-breeder within six months after date of sale, if in healthy condition and complying with the health requirements of the seller's state, may be returned to the seller at the buyer's expense. Seller will then reserve the right to prove the animal a breeder within a six-month period. If successful, the seller will return the animal to the buyer at the buyer's expense. Should the animal fail to prove a breeder, the seller, at his option, may either return purchase price to buyer or replace the animal with another of equal value in full settlement and satisfaction of all claims. In no event shall seller be responsible for more than the purchase price.

Accidents: Although every precaution will be taken to protect the safety and comfort of the buyers and others attending the sale, neither Dusty Prairie Ranch nor anyone associated with the sale, shall assume any responsibility in this matter and each disclaims any liability, legal or otherwise, in the event of an accident or loss of property.

Contract: The above Sale Terms and Conditions shall constitute a contract between buyer and seller and be equally binding on both. Animals that are resold following purchase in this sale shall constitute a separate transaction and the rights and obligations of the two parties connected thereto are not covered by these Terms and Conditions.
