Cayden, Kylyn and Holdyn

Nathan & Holly and New Family!!

Kaylee, Austin and Jaylin

Welcome Friends and Valued Customers:

As we approach this year's sale, **March 28th**, there are so many things I want to visit with you about!! For starters you can see by the photos, Nathan and Holly are proud parents to **three** healthy and beautiful babies!! On November 22 Holdyn, Cayden and Kylyn were born and have been growing ever since!! Over the years getting to know you and your family as they have grown and seeing my family go from my boys to now grandkids is an enjoyable experience!! In today's world having friends and family is so important and that is one reason I've worked so hard at getting cattle with a great **disposition**!! I'm a believer that enjoying and sharing these cattle experiences teach our kids responsibility and I want your family and mine to be as safe as possible!! You will have to look long and hard to find cattle with a better disposition!!!

Over the past 34 years we've created a lot of good friends and valued customers and your support is greatly appreciated. This year I looked at several customers' cow herds and what I've seen happen to your program over time is that the cows and calves are developing more **uniformity and volume**!!! You also tell me your cattle are a lot easier to work than in the years past. When a guy spends 365 days a year in the cattle business, having things work easier is just a plus to you and your family!! So when you are walking around sale day just keep in mind it takes some time to get where you want to be with your herd and visit with me and let's get the best genetics into your operation!! If you are looking at **Dusty Prairie Ranch** for the first time, we welcome you. Let us show you ways to make your cattle more enjoyable and profitable!!

This year's sale offering is one you **don't want to miss**!! Many of this year's sale bulls weaned off over 800 lbs. and we also have the best selection of **Heifer Bulls** to sell in many years!! Most of these bulls' birth weights are from 70 lbs. to 78 lbs. and still grew up to have yearling weights over 1200 pounds. The sale **Bulls and Heifers** have a lot of natural volume and thickness and come from a very maternally bred cow herd. In today's cattle business very few programs in the USA offer you a more complete **Genetic** package from the calving ease at birth to the meat we place on your family's table. Investing in this year's sale cattle will keep you in the business for a long time as many of the gene pools come from cow families that were still producing at age 14 to 16 years of age!! Many of you know our bulls have still been breeding at 7 to 10 years of age!! So your investment is for **today and tomorrow**!!

The sale will again be at the ranch southeast of Bartley. The past couple years have created a lot of fun for you and your family and getting the chance to look at cattle in their natural environment!! You've been able to look at the sale cattle and go look at the dams and know you are getting a **true genetic package for years to come**!! It's a special day for you and your investment!! The cows are on corn or milo stalks and get very little supplemental feed. **Dusty Prairie Ranch** has bred for years for the cows to perform in this natural environment. This did not happen overnight; but what we have today is very special when it comes to being profitable for years to come!!

Plan on joining us March 27th for the **Ranch Tour** so we can take a closer look at the cattle and plan to get you the best genetics for your operation!! On **March 28th** spend the day with family and friends looking at some outstanding cattle and enjoy the **Amerifax** meal!!!

Doug

Thanks For All Of The Support Over 34 Years!

CUSTOMER TESTIMONIALS

In February 2012 we sold our Amerifax Steers and Heifers from bulls purchased from Dusty Prairie Ranch. The 126 steers weighed 889 # and sold for \$1.44--this grossed me a grand total of \$1280 per head!!!! We only had another cut of 13 head. We had 76 heifers sell in one group that weighed 725# for \$1.44. We retained 92 more heifers at home. We are very pleased with how the cattle weighed and the uniformity of our calves!!

Tyler Harting and Family
Norton KS.

In 2010 we purchased several DPR bulls and heifers. The bulls maintained or gained weight throughout the breeding season! "That is one of the first times that has happened for me!" The heifers are some of the best disposition females I've ever had!

Roger Cloyd
Wade Ranch

"Doug... Our Dusty Prairie Ranch sired calves on a 61 Day Test following weaning gained 3.75 pounds on 88 head--which out gained our other sired calves by a .50 per head a day."

James Hentges
Jamestown, Missouri

"In 2005, 43 head of our first calf heifers all sired by Dusty Prairie Ranch Bulls and bred back to Dusty Prairie Ranch calving ease bulls--we only pulled one calf."

Rollie Stefka
Comstock, Nebraska

"Calves we get from Dusty Prairie Ranch come early and jump up and get going. The females are gentle disposition and make great mothers."

Jeff & Don Ruppert
McCook, Nebraska

"Have a DPR Big & Wide 1378 son gaining 5.65 pounds on 3.98 to 1 feed efficiency."

Polder Beef Friesins

"53 spring calves sold in one group at 736 pounds at \$1.45. Very happy how DPR genetics has made our calves more uniform!!"

Rick Smith
Winchester, Kentucky

"Doug... the two bulls I purchased at the 2007 sale have been the easiest fleshing bulls I've ever had."

Loren Bossler
Stanton, Nebraska

*"In 2005 we switched to Dusty Prairie Ranch Bulls and our calves weaned 75 pounds more than the year before and sold a whopping 102 pounds more at sale time. **These Are Real Numbers For Real Cowmen!!**"*

Bill Scheperle
Jamestown, Missouri

"We started using Dusty Prairie Ranch Bulls in 1993 and our weaning weights year after year are now over 700 pounds average."

Jim & Larry Kleffner
Brinktown, Missouri

*"Since we started using Dusty Prairie Ranch bulls, the weaning weights of our fall calves have increased over 80 lbs. Doug has worked closely with Jeannie and I to help us improve the quality of our cow herd. Because of the improvements we have experienced, we are eager to tell our friends and neighbors about the **Dusty Prairie Ranch Program.**"*

Bull Management Tip!!

Take your young bull home sale day and hand feed him with an old cow for 30-60 days before you turn him out. This will pay you big dividends when you sort or catch your bull in the future!!

Buyers Notes:

Remember
Quality Is
Always A Bargain!!

Dusty Prairie Ranch sale day!!

SALE TERMS AND CONDITIONS

Terms: Terms of the sale are cash or check, payable immediately upon conclusion of the sale and before animals will be moved. Seller will reserve the right to require a certified check as settlement before releasing any cattle.

Risk: All animals are the seller's risk prior to their sale and become property of the purchaser as soon as declared sold by the auctioneer.

Bidding: All animals sell to the highest bidder. Any disputes or challenges regarding bids will be settled by the auctioneer, and his decision will be final.

Health: All bulls have been tested and found negative for brucellosis. All females have been officially calfhood vaccinated. All animals are eligible for interstate shipment; except as otherwise announced. The Veterinarian will assist buyers on health papers for specific states.

Announcements: Any changes from information of any kind in this catalog will be announced from the auction box and such announcements shall take precedence.

Breeding Guarantee: Females: Cows represented as being "safe in calf" will have been examined and declared safe; they are considered bred without further guarantee. Cows with calves at side shall be considered breeders also without further guarantee. Open heifers are guaranteed to be breeders. **NO** guarantee shall apply to suckling calves. **NO** guarantee is given that bred females will deliver a live calf.

Bulls: Should any bull 14 months of age or over fail to prove a breeder after being used on cows known to be breeders, the matter shall be reported in writing to the seller within six months following date of purchase, or six months after the bull has reached fourteen months of age. (See Options and Privileges of Return or Adjustment.)

All animals are guaranteed to be breeders with the exception of: (a) Calves under twelve months of age. (b) Animals shown by purchaser after sale. (c) Injury or disease occurring after sale. (d) Animals subjected to any hormonal or surgical reproduction techniques. (e) Gross negligence or willful misconduct on the part of the purchaser. (f) Artificial collection, preparation or storage of semen.

Options and Privileges of Return or Adjustment:

1. All claims for adjustment or refund must be made in writing within six months of sale date or no later than six months after the animal reaches 14 months of age.
2. Any animal that appears to be a non-breeder within six months after date of sale, if in healthy condition and complying with the health requirements of the seller's state, may be returned to the seller at the buyer's expense. Seller will then reserve the right to prove the animal a breeder within a six-month period. If successful, the seller will return the animal to the buyer at the buyer's expense. Should the animal fail to prove a breeder, the seller, at his option, may either return purchase price to buyer or replace the animal with another of equal value in full settlement and satisfaction of all claims. In no event shall seller be responsible for more than the purchase price.

Accidents: Although every precaution will be taken to protect the safety and comfort of the buyers and others attending the sale, neither Dusty Prairie Ranch nor anyone associated with the sale, shall assume any responsibility in this matter and each disclaims any liability, legal or otherwise, in the event of an accident or loss of property.

Contract: The above Sale Terms and Conditions shall constitute a contract between buyer and seller and be equally binding on both. Animals that are resold following purchase in this sale shall constitute a separate transaction and the rights and obligations of the two parties connected thereto are not covered by these Terms and Conditions.
